

2018-2019 COUNCIL MEMBERS

Each year, we engage dozens of citizens from across our community to serve as Impact Volunteers. These dedicated advocates assist United Way in the strategic investment of the annual campaign fund, a significant financial support for programs and services in Amarillo and Canyon, addressing critical needs within our impact areas of Education, Income, and Health, and Basic Needs.

Based on their interest and experience, Impact Council Volunteers work in teams aligned to one of United Way's focus areas to review and evaluate funding proposals for programs and services.

The Community Impact Councils are responsible for providing support, advice, and direction to the Community Impact Department and making Impact recommendations to the United Way Governing Board to ensure the successful achievement of the United Way of Amarillo & Canyon's community improvement goals.
