ALEXIS DE TOCQUEVILLE SOCIETY OF THE HIGH PLAINS

The Alexis de Tocqueville Society is a United Way Worldwide leadership giving and recognition program established in 1972. It exists to foster, promote and recognize the vital importance of voluntary community service and personal giving at an exceptional level. The society honors individuals who are deeply committed to the idea that a community is only strong when its people unite to help those who really need help. Members of this nationwide society are philanthropists who make an annual gift of \$10,000 or more.

The local Alexis de Tocqueville Society of the High Plains was founded in 1990, to recognize those individuals and family foundations whose monetary contributions truly lead the way in building a better vision for our community.

Alexis de Tocqueville was a Frenchman who traveled in our young democracy in the early 1800s and wrote Democracy in America, in which he immortalized the giving spirit in the hearts of Americans who spontaneously helped one another in time of need.
